

KY SECC EAS Multilingual Reporting

send to: Greg-EASinfo@KBA.org

Call Sign of Reporting Station _____ City of License _____

Date _____

Type Service AM ___ FM ___ FM HD ___ TV ___ TV Multicast Channel ___ Cable _____

In the case of multiple KY stations, commonly owned by a single licensee, the primary station should be listed above. Those additional listed (Call/Type/ City of lic.) in the 'Comments' block, bottom of the page.

NOTE: This option applies only if all the information provided in this report is shared by all stations listed.

In what language does this station(s) predominately broadcast?

English ___ Spanish ___ Other ___ (if other, please specify) _____

Specify if different for any station(s) listed in final comments

Does this station currently broadcast EAS alerts in any language other than English? No ___ Yes ___
If Yes, what language and how often?

Does this station have any future plans to broadcast EAS Alerts in any language other than English?
No ___ Yes ___ If yes, please briefly describe:

Has this station received any requests to send multilingual EAS alerts? Yes ___ No ___

If this station has no plans to provide multilingual EAS alerts what is the current reasoning?

- There is little or no interest indicated by the public in doing so
- EAS tests and alerts are only sent in English
- We don't want to increase the number of EAS alerts
- Current EAS equipment doesn't have that capability.
- Other :
